TRAVIS AND KATY CUNNINGHAM

California

Travis and Katy Cunningham call Los Angeles—a city often associated with Hollywood and the lifestyles of the rich and famous—their mission field. Despite all it is known for, only 8.3% are evangelical Christians.

Born and raised nearby, Travis had a dream of planting a church in his hometown to reach his friends and family who did not know Jesus. In 2019, that's exactly what he and Katy did, eventually launching Story Church.

In 2021, the COVID-19 pandemic required the church to meet in a park. People in some of the surrounding neighborhoods would stop to listen. Some even started visiting! Story Church has seen people come to Christ, marriages restored, and wayward believers step back into church again.

THE COOPERATIVE PROGRAM is the financial fuel for reaching every person for Jesus Christ in every town, every city, every state, and every nation. Your support through the Cooperative Program provides resources for missionaries and church plants all across North America to be able to minister to their communities so more and more people come to follow Jesus.

PRAY for Travis, his family, and the Story Church staff team—that they wouldn't grow weary in their good work of reaching others with the Gospel.
